Independent Auditors' Report

To the Board of Directors
North Penn Valley Boys and Girls Club, Inc.
Lansdale, Pennsylvania

We have audited the accompanying financial statements of North Penn Valley Boys and Girls Club, Inc. which comprise the statements of financial position as of December 31, 2019 and 2018, and the related statements of activities, functional expenses, and cash flows for the years then ended and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of North Penn Valley Boys and Girls Club, Inc. at December 31, 2019 and 2018, and the changes in its net assets and its cash flows for the years then ended, in conformity with accounting principles generally accepted in the United States of America.

1. NATURE OF ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Organization

North Penn Valley Boys and Girls Club, Inc. (the Club) is a not-for-profit community service organization incorporated in 1967. The Club provides a variety of recreational, social, vocational and educational programs for boys and girls between the ages of six through eighteen. The Club serves over 4,000 children at their three locations which are the North Penn Valley Club in Lansdale, the Indian Valley Club in Souderton, and the Wissahickon Valley Club in Ambler, Pennsylvania.

Basis of Accounting

The financial statements of the Club have been prepared on the accrual basis of accounting, whereby revenues are recognized when earned, and expenses are recognized when incurred.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Net Assets

Accounting standards prescribe the format for general-purpose financial statements for all not-for-profit organizations. The financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America, which require the Club to report information regarding its financial position and activities according to the following net asset classifications:

Net Assets Without Donor Restrictions - Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the organization. These net assets may be used at the discretion of the Club's management and Board of Directors.

Net Assets With Donor Restrictions - Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by the actions of the Club or by the passage of time. Other donor restrictions may be perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity. The Club has no assets with perpetual donor restrictions.

Revenue Recognition

In May 2014, the Financial Accounting Standards Board issued Accounting Standards Update 2014-09, *Revenue from Contracts with Customers*, which created a new Topic ASC 606, and subsequent related updates. The core principle of the new guidance is that an entity should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled for those goods or services. The updated standard replaced most existing revenue recognition guidance in accounting principles generally accepted in the United States of America, and requires improved disclosures to help users of financial statements to better understand the nature, amount, timing and uncertainty of revenue that is recognized. The Club adopted this pronouncement during the year ended December 31, 2019, and management believes the standard improves the usefulness and understandability of the Club's financial reporting.

1. NATURE OF ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(continued)

Revenue Recognition (continued)

Analysis of various provisions of this standard resulted in no significant changes in the way the Club recognizes revenue, and therefore no changes to the previously issued audited financial statements were required. The presentation and disclosures of revenue have been enhanced in accordance with the standard.

The Club derives the majority of its revenue from contributions, program fees and membership fees.

Contributions

Contributions, including unconditional promises to give, are recorded as revenue when received. Investments, property, and other non-cash contributions are recorded at fair value at the date of gift or bequest. Contributions are considered to be available for unrestricted use unless they are received with donor stipulations that limit the use of the donated assets. When restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions.

Program Fees

The Club offers many programs and classes during the school year that vary in duration. The Club also offers a summer camp program outside of the school year. Scholarships are also provided for children from low-income households. Payments for program fees are made before the program begins, generally when a participant registers for the program. The Club recognizes revenue from program fees over the time of the program.

Membership Dues

Membership at the Club gives members access to the Club amenities like the gym and weight room and access to programs are at reduced costs. Scholarships are also provided for children from low-income households. The membership fees are paid on an annual calendar year basis. Typically, the membership fee for the calendar year will be paid at the start of the year in January. If a membership fee is paid for the following calendar year, the fee is recognized as deferred revenue at year end.

Special Events

Revenue and expenses from special events are recognized during the period the event is held. Receipts received prior to the period when the event is held are recognized as deferred revenue. Expenses incurred prior to the period the event is held are recognized as prepaid expenses.

Contributed Services

Many individuals volunteer their time and perform a variety of tasks that assist the Club in carrying out its programs. Because no objective basis is available to measure the value of these services, the value of these services was not recorded during the years ended December 31, 2019 and 2018.

1. NATURE OF ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(continued)

Cash

The Club maintains its cash accounts in several commercial banks. The amount on deposit may exceed the federally insured limit. The Club has not experienced any losses in such accounts. The Club believes it is not exposed to any significant credit risk on cash.

Restricted Cash

At December 31, 2019 and 2018, the Club has restricted cash of \$118,166 and \$333,540, respectively. This represents the funds that were given to the Club for scholarships, the Wissahickon Valley building project, and Wissahickon Valley operating expenses.

Property and Equipment

Property and equipment are stated at cost. Major replacements and betterments are capitalized while maintenance and repairs are expensed as incurred.

Donations of property and equipment are recorded as support at their estimated fair value. Such donations are reported as unrestricted support unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted support. If the donor does not stipulate how long those donated assets must be maintained, then the Club reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. The Club reclassifies net assets with donor restrictions to net assets without donor restrictions at that time.

Depreciation is computed using the straight-line method over the estimated useful lives of the related assets. The estimated useful lives of depreciable assets are:

<u>Classifications</u>	<u>Years</u>
Buildings	39
Building Improvements	7-39
Office Furniture and Fixtures	3-10
Equipment and Signs	5-10

Income Tax Status

The Club has qualified as a tax-exempt organization under existing provisions of the Internal Revenue Code Section 501(c)(3). Accordingly, its income related to its tax exempt purpose is not subject to federal or state income taxes. The Club did not have any unrelated business income for the years ended December 31, 2019 and 2018 that would be subject to federal or state income taxes. Consequently, the accompanying financial statements do not reflect any provision for income taxes.

1. NATURE OF ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(continued)

Income Tax Status (continued)

The Club accounts for uncertainty in income taxes using a recognition threshold of more-likely-than-not to be sustained upon examination by the appropriate taxing authority. Measurement of the tax uncertainty occurs if the recognition threshold is met. Management determined there were no tax uncertainties that met the recognition threshold in 2019 and 2018.

The Club's Forms 990 – *Return of Organization Exempt from Income Tax* for the years ended December 31, 2016, and subsequent years remain subject to examination by the Internal Revenue Service.

Functional Allocation of Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the statements of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

2. AVAILABILITY AND LIQUIDITY

Financial assets available for general expenditures, that is, without donor restrictions limiting their use within one year of December 31, 2019, comprise the following:

Financial Assets		
Cash		\$ 1,512,386
Certificates of Deposit		<u>74,490</u>
Total Financial Assets		<u>1,586,876</u>
Less Amounts Not Available to be Used Within One Year		
Net Assets with Donor Restrictions		<u>118,166</u>
Financial Assets Available to Meet General Expenditures		
Over the Next Year		<u>\$ 1,468,710</u>

Management believes that the Club has sufficient financial assets on hand to meet operating cash flow needs. As part of its liquidity plan, excess cash is invested in money market accounts and certificates of deposit.

3. CERTIFICATES OF DEPOSIT

At December 31, 2019 and 2018, certificates of deposit held are as follows:

For the years ended December 31, 2019 and 2018, depreciation expense totaled \$153,978 and \$149,611, respectively.

5. OBLIGATIONS UNDER CAPITAL LEASE

The Club has entered into a thirty-year land lease agreement with the Borough of Souderton. The Club is responsible for all improvements, maintenance and insurance on the property and must have a general liability policy of \$1,000,000 naming the lessor as an additional insured. The annual payment on this lease is \$11,667, and runs through June 13, 2034, at which time the Club will take ownership of the land. The land will continue to have the following restrictions and conditions, which are perpetual and shall run with the land.

The use of the property and the facilities erected thereon shall be restricted to uses similar to that of the Club, namely, activities of a recreational and athletic nature conducted on a nonprofit basis for the benefit of boys and girls in the Souderton area. The Borough of Souderton and members of the public shall retain the right to use the outdoor recreational facilities and the parking area.

9. ENDOWMENT

The Club has an endowment fund that is administered by the Philadelphia Foundation, as agent. The Club has no control over the funds as the donors contribute directly to the Philadelphia Foundation. Distributions from the fund do not begin until the fund reaches \$150,000 in value. Distributions will then be made at 5% per year of the fund balance, of which the Philadelphia Foundation will retain 1% for administrative fees. Distributions will be considered as grants to the Club.

In accordance with accounting standards, the fund is not recorded on the books of the Club. At December 31, 2019 and 2018, the endowment has a balance of \$51,109 and \$44,316, respectively.

13. RECENT ACCOUNTING PRONOUNCEMENT ISSUED, NOT YET EFFECTIVE

In February 2016, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update 2016-02, *Leases*, which creates a new Topic ASC 842, *Leases*. Under the new guidance, a lessee will be required to recognize on the balance sheet a liability to make lease payments and a right-to-use asset representing its right to use the underlying asset for the lease term for both finance and operating leases. For leases with a term of 12 months or less, an entity can elect to not recognize lease assets and lease liabilities and expense the lease over a straight-line basis for the term of the lease. The updated standard will replace current lease guidance in US GAAP when it becomes effective. Also, the guidance requires new disclosures that depict the amount, timing, and uncertainty of cash flows pertaining to an entity's leases. On June 3, 2020, the FASB issued Accounting Standards Update 2020-05 which delayed the effective date another year for this new standard. So now for non-public entities, the update is effective for annual reporting periods beginning after December 15, 2021. The Club plans to adopt and apply the guidance for its year ending December 31, 2022. Management has not yet determined the effect this Statement will have on the Club's financial statements.

14. SUBSEQUENT EVENTS

Management has evaluated subsequent events through June 9, 2020, the date the financial statements were available to be issued and determined the following needs to be disclosed.

In March 2020, the World Health Organization declared the outbreak of a novel coronavirus (COVID-19) as a pandemic which continues to spread around world. The COVID-19 virus has led to a severe economic downturn worldwide. This outbreak is disrupting a range of industries, including not-for-profits. The extent of the economic impact of COVID-19 on the Club's operations and financial performance will depend on certain developments, including the duration and spread of the outbreak, and the impact on donors and fundraising activities, all of which are uncertain and cannot be predicted. At this time, the Club has suspended all recreational activities and programs and summer camp has been cancelled. The Club applied for and received a Paycheck Protection Program (PPP) loan in May 2020, in the amount of \$259,016. As of June 9, 2020, the extent to which COVID-19 may impact the Club's financial condition or results of operations is uncertain.
